(director, Gukhman), Bobbin Plant imeni Volodarskiy (director, Merkulov). The Plant imeni Karl Marks (director, Chebotarev), "Vulkan" Plant (director, Krasovitskiy), "Ekonomayzer" Plant (director, Arakcheyev), and automatic machinery plant (director, Khizhnyak) did not fulfill the plan for decreasing production costs in August. Losses from production defects increased at the Plant imeni Lepse (director, Agadzhanian) and the construction faience plant (director, Dyukov).

The third-quarter plan for production of chief types of industrial goods was fulfilled as follows:

	<u>Percent</u>
Steel	105
Rolled iron	110
Steam turbines (Ministry of Heavy Machine Building)	52
Heavy-duty hydroturbines	100
Turbopumps	117
Turboblowers	116
Diesel engines (Ministry of Heavy Machine Building)	100
Generators for steam turbines	100
Heavy-duty electric machines	100
Electric motors (over 100 kilowatts)	102
Electric motors (up to 100 kilowatts)	116
Synchronous generators	100
Power disconnecting switches	107
Transformers	111
Cutout switches	101
Electric welding equipment	103
Explosion-proof electric motors	100
Skidding tractors	86
Hoist cranes	104
Oscillator tubes	88
Sulfuric acid	145
Superphosphate	134
Rubber footwear	102
Drive belting	103
Automobile tire casings	100.8
Conveyor belting	104
Paper	103
Cement	107
Brick	117
Cotton fabric	104
Woolen fabric	104
Hosiery	106
Thread	102
Leather footwear	105
Cigarettes	105
Soap	118
Confectionery	113

In the third quarter, gross production increased 9 percent over the third quarter 1948, and in 9 months increased 15 percent over the same period in 1948.

In 9 months, the volume of centralized capital construction amounted to 108 percent of that of 9 months of 1948, including the comparative volume for the following ministries:

Meat and Dairy Industry	106
Communal Economy	120

The 1949 plan for completion of housing construction was completed 55 percent in 9 months. The following plants successfully completed the third-quarter plan for capital investment in housing construction: Kirovskiy Plant (director, Abroskin), 137 percent; "Ruskiy dizel" Plant (director, Bazhenov), 117 percent; "Krasnyy treugol'nik" Plant (director, Ozerov), 167 percent; Combine imeni Tel'man (director, Grigor'yev), 124 percent.

Among plants which did not complete the third-quarter housing construction plan were: Plant imeni Lenin (director, Moykin), 45 percent; Plant imeni Molotov (director, Saf'yants), 35 percent; "Sevkabel" Plant (director, Bykov), 40 percent; and "Trubostal" Plant (director, Ryzhikov), 65 percent.

The third-quarter plan for average daily volume of streetcars in operation was fulfilled 100 percent, 100.8 percent for trolleybuses, 108 percent for autobuses, and 98 percent for passenger taxis. In comparison with the third quarter 1948, the average daily volume of streetcars in operation increased 1.7 percent, trolleybuses 14 percent, autobuses 28 percent, and passenger taxis 22 percent.

The third-quarter plan for passenger transport was fulfilled 84 percent for streetcars, 90 percent for trolley buses, and 107 percent for autobuses. In the third quarter 1949, passenger transport by streetcar amounted to 89 percent of the third quarter 1948, by trolleybus 127 percent and by autobus 133 percent.

Water main stations fulfilled the third-quarter plan for supplying water to consumers 103 percent and exceeded the volume of water supplied in the third quarter 1948 by 3 percent. In the third quarter, supplies of gas to all subscribers increased 120 percent over the third quarter 1948. As of 1 October, the total number of apartments with gas facilities was 87 percent greater than on 1 October 1948.

In the third quarter, sale of food and industrial goods increased over the third quarter 1948. Sale of agricultural products in kolkhoz markets increased and prices decreased as compared with the third quarter 1948.

OBLAST 2 PERCENT ABOVE PLAN -- Leningradskaya Pravda, No 251, 23 Oct 49

The Statistics Administration, Leningrad Oblast, reports that the oblast's industry fulfilled the September gross-production plan 104 percent and the third-quarter gross-production plan 102 percent. In the third quarter, the volume of gross production increased 19 percent over the third quarter 1948. The September and third-quarter gross-production plans were fulfilled as follows by individual ministries:
